

# Fork Modification Center

Your special application

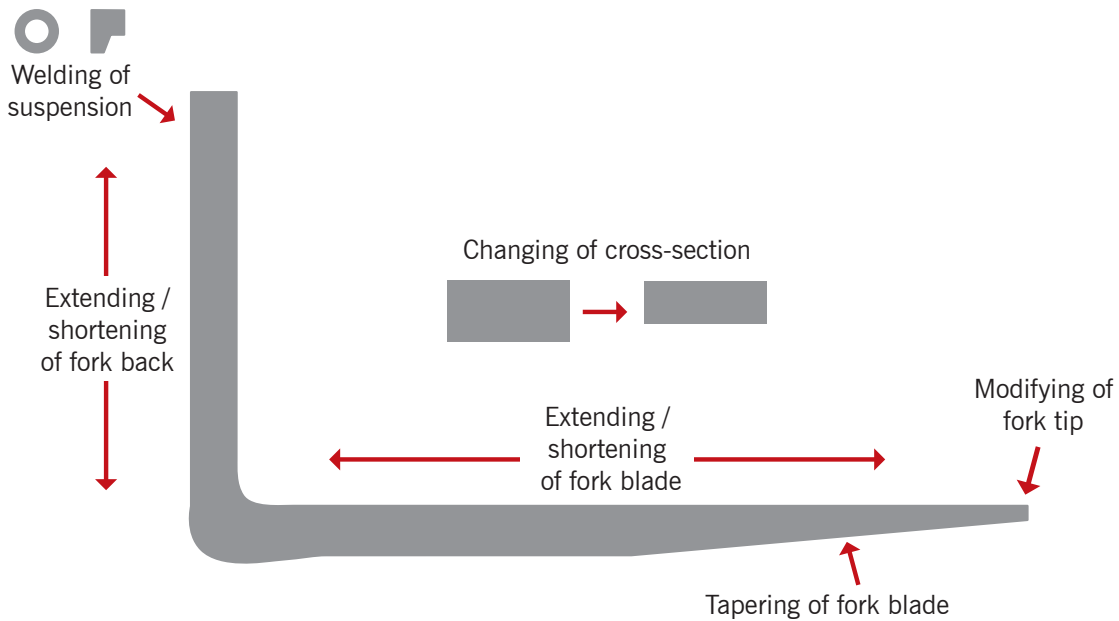

Your individual fork

With short lead times

The VETTER Modification Center customizes forks according to your requirements, from tube-on-blank and individual blade lengths to special tips, customized mountings, coatings and much more. VETTER Forks, Inc. holds a **huge stock of many different fork blank sizes** for short turnaround times.

... and all kind of machinings, millings, drillings, weldings, cuttings, lacquerings, etc.
